

## 2017 MEDIA ACCREDITATION ARMOY 'RACE OF LEGENDS'

**All requests for accreditation must be received by Friday 14<sup>th</sup> July 2017.**

**Please read carefully prior to completing Media Accreditation Application Form.**

Press accreditations are only available for recognised news gathering media outlets. Accreditation will be granted at the sole discretion of the Press Officer. Successful accreditation in previous years will not guarantee accreditation for 2017.

Photographers working on the race circuit will be required to wear a media armband, supplied by the Press Office, **at all times**. A refundable deposit of £10 is required on registration.

All passes and media armbands are the property of the Press Office and are issued subject to conditions and may be withdrawn if any conditions are breached. To be considered for a press pass please ensure that you meet the requirements listed below and enclose all the relevant information requested:

- i. A letter commissioning you to cover the Armoey Road Races; signed by the editor or another relevant representative of the publication.
- ii. If you have been granted press accreditation in previous years at Armoey, or other relevant motorsport events, please submit press cuttings that substantiate your request.
- iii. All passes require a passport sized photograph. Please ensure that you send one passport sized photograph of yourself plus one for file with your application. No accreditations will be issued without photographs.

**All press registering for Amoy will be required to sign a form acknowledging that they adhere to the Club's requirements on legal liability insurance and course familiarity.**

**Remote Cameras:** The organisers are willing to allow Remote Cameras to be set up on the Course; however photographers wishing to make use of this facility must inform the Press Officer when signing-on and provide evidence that such equipment is fully insured for Public Liability in the case of an incident involving the equipment. Such equipment must be presented at Signing-on so that it can be labelled for identification purposes by Officials manning the Course when it is live. Such equipment must be in place prior to the course becoming live.

Any remote photographic equipment found on the course that is not correctly labelled will be removed immediately by On Course Officials without them being held responsible for its safe keeping until claimed. Remote cameras placed in an unsafe position will be removed.

**Small Unmanned Aircraft (Drones) are NOT permitted to be used.**

***PLEASE NOTE: The following Press Accreditation Form MUST be accompanied by a letter of authority from the employing company, which will be checked out. Failure to submit this will automatically ensure rejection of the application.***

The attached Press Accreditation Form must be printed off, completed and returned by post or emailed (details below).

***It is also a condition of the granting of a Media Accreditation that you may be requested to provide photographs for use by the club in future publicity and or race programmes and literature at no cost to the organisers.***

If you have any queries regarding your application, please do not hesitate to contact me.

Kind Regards,

**Gary McKillop**
