MCUI UC Technical Update Bulletin No.20

Date: 21st March 2026

Numbers & Backgrounds - classic superbike & classic supersport

Background:

Classic superbike number and background colours have been omitted from the current standing regulations for past few seasons, this bulletin will address that omission and also address the same topic for the new classic supersport class . We will follow 2026 Classic TT regulations colours to avoid confusion .

Update:

Numbers and backgrounds for the classic superbike and classic supersport classes must comply to the following colors:

Classic Superbike Black Numbers White Background

Classic Supersport White Numbers Blue Background
